

Talmont-Saint-Hilaire, 21st January 2021

Madam, Sir, dear Owners,

The members of the ASL Board join me in extending our best wishes for a Happy, Healthy and Prosperous New Year 2021.

Thank you for attending the last general meeting of our village in such large numbers.

Unfortunately you only had the exclusive possibility to vote by mail.

This meeting was exceptional!

- Exceptional, because this first dematerialized General Assembly is a success;
- Exceptional, because in spite of this important work to get acquainted with the General Assembly and return the voting form, you were 832 voters.

812 postal votes were received within the deadline and 30 votes arrived outside the time limit and were therefore not counted.

You approved the items on the agenda by a large majority. Concerning the question of the agreement for the provision of aquatic spaces, the result of the vote is as follows:

VOTERS

FOR 682

AGAINST 108

ABSTENTION 22

As announced on the General Assembly convening, you can consult the full minutes on the ASL website at the following address: [aslbourgenay-e-monsite.com](http://aslbourgenay-e-monsite.com).

We make available to the owners all the postal votes, which can be consulted by appointment.

The ASL office will be looking into the organization and access to the aquatic areas next week.

Let's hope that we will be able to hold classic General Assembly again in the future.

We wish you a good reception of this information.

Please take good care of yourself and your loved ones.

*Best Regards,*
